

Named after its founder Shingo Gokan and the Japanese Kanji characters for five senses 五感— *Sight, Taste, Smell, Touch, and Hearing*, GOKAN is inspired by the nuanced and holistic approach of Japanese culinary traditions.

At GOKAN, we explore unlimited horizons in the art of mixology, gastronomy, and hospitality. Whilst many restaurants serve drinks and many bars serve food, GOKAN sets out to re-imagine and transform how these two worlds can collide to define a new but meaningful genre.

GOKAN へようこそ。

THE GOKAN SPIRIT

At the centre of the GOKAN philosophy lies the idea of the shokunin 職人. Fuelled by passion and the quest for perfection, Shingo Gokan embodies the modern-day shokunin spirit.

Built on a foundation of humility and perseverance, he not only continuously pursues excellence in his craft, but also draws on his decades-long experience and expertise to innovate and push the boundaries of mixology.

With a sharp focus on fundamentals, the cocktails at GOKAN are created with balance in taste, texture, and presentation; and served in hand-blown *Sip and Guzzle* glassware, an exclusive collection developed by Kimura and Shingo Gokan.

五味

THE COCKTAILS

The menu is divided into 5 sections featuring five fundamental flavours (gomi): *Sweet, Sour, Spicy, Bitter, and Savory*. Whilst each drink draws inspiration from one profile as a starting point, the drinks as a whole are designed with balance and harmony in mind. It is through this delicate and dynamic interplay of taste, textures, and techniques that our bartenders demonstrate their creativity, skill, and expertise. In every section, the drinks are expressed in one of the three ways — *Highball, Rock, or Up*.

{1}

HIGHBALL

A classic cocktail made with a base spirit, ice, and a carbonated mixer. Every aspect and step is thoughtfully considered - the ice selection, the level of effervescence, how the drink is stirred.

{2}

ROCK

A timeless form that is served over crystal clear ice offering a subtle and gradual dilution that enables the flavours and aroma to combine harmoniously.

{3}

UP

A perfectly chilled cocktail, strained and served without ice. A cocktail served Up ensures a smoother and more palatable experience with minimal dilution.

五法 THE FOOD

Drawing inspiration from Washoku 和食, the word for Japanese cuisine, the food at GOKAN reflects our emphasis on balance and harmony. Using fresh, seasonal ingredients, we have created a menu with Izakaya-inspired dishes alongside staples of Japanese home-style comfort cooking.

Curated with care and precision, the menu is divided into 5 sections featuring the five fundamental techniques - *Raw*, *Steam*, *Grill*, *Fry*, and *Simmer*. Through thoughtful consideration of these techniques and the meticulous execution of our dishes, GOKAN aims to showcase how mixology and gastronomy can combine to elevate your senses.
